PRICES

As always, our prices are competitive with other framing supply operations. We try to offer the finest in materials, mouldings, and supplies. Our materials are always first quality and come from reputable manufacturers. Prices are subject to change without notice. If moulding is not listed in this catalog, it has been discontinued.

UPS SHIPPING

We strive to pack and ship orders promptly. Orders received by 12:00 noon will be shipped the same day via UPS. **NOTE:** It is necessary to indicate your cutting instructions for long length mouldings when using UPS for shipping. Packages over 84 inches in length plus girth are automatically charged as a minimum of 30 pounds.

MATERIALS

Because wood properties vary, its ability to absorb stains, lacquers and other finishes also varies. Therefore, there may be some slight differences in colors and appearance from samples and manufacturing runs. We, therefore, cannot guarantee that corner samples will exactly match lengths or chops. **NOTE: Unless otherwise specified, chops are cut with a 1/8" allowance. Shadow boxes are cut to glass size.**

MOULDING CORNER SAMPLES

We provide moulding corner samples at a nominal charge to our customers. Samples are normally 6 inches long, but can be furnished in other lengths upon request to meet your particular needs. Contact us today for the samples you need and the price.
